AS ISO 13916-2003 Welding - Guide on the measurement of preheating temperature, interpass temperature and preheat maintenance temperature.

[View on Information Provider website](#)

Abbreviation

AS ISO 13916-2003

Valid from

27/06/2003

Information provider

SAI Global

Author

Standards Australia

Information type

Australian Standard

Format

PDF, Hard copy

Cited By

[This resource is cited by 2 documents \(show Citations\)](#)

Description

This Standard is technically identical to and reproduced from ISO 13916:1996 which sets out requirements for the measurement of preheating temperature, interpass temperature and preheat maintenance temperature for fusion welding.

For assistance with locating previous versions, please contact the information provider.
