ASHRAE 52:1968 (R1976) Method Of Testing Air Cleaning Devices Used In General Ventilation For Removing Particulate Matter

[View on Information Provider website](#)

Abbreviation

ASHRAE 52:1968 (R1976)

Valid from

01/01/1968

Information provider

SAI Global

Author

American Society of Heating, Refrigerating & Air Conditioning Engineers

Information type

Other Standard

Format

PDF, Hard copy

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This standard specifies a test procedure to measure the performance of air cleaning devices for removing particulate matter.
