## AS/NZS 1748:2006 Timber - Mechanically stress-graded for structural purposes

[View on Information Provider website](#)

### Abbreviation

AS/NZS 1748:2006

### Valid from

16/02/2006

---

### Information provider

Standards New Zealand

### Author

Standards New Zealand, Standards Australia

### Information type

New Zealand Standard

### Format

PDF

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

This Standard specifies structural property, marking and physical requirements for mechanically stress-graded timber. Physical requirements are given for strength considerations as well as for utility considerations.
