AS/NZS ISO 13918:2020 Welding - Studs and ceramic ferrules for arc stud welding

[View on Information Provider website](#)

Abbreviation

AS/NZS ISO 13918:2020

Valid from

17/01/2020

Information provider

Standards New Zealand

Author

Standards Australia, Standards New Zealand, International Organisation for Standardization

Information type

New Zealand Standard

Format

PDF

Description

The objective of this Standard is to specify the following:

- a) Requirements for studs and ceramic ferrules for arc stud welding.
- b) Dimensions, materials and mechanical properties.

This Standard is identical with, and has been reproduced from, ISO 13918:2017 Welding - Studs and ceramic ferrules for arc stud welding. As this document has been reproduced from an International Standard, a full point substitutes for a comma when referring to a decimal marker.

For assistance with locating previous versions, please contact the information provider.
