AS/NZS ISO 17632:2006 (R2017) Welding consumables - Tubular cored electrodes for gas shielded and non-gas shielded metal arc welding of non-alloy and fine grain steels - Classification

[View on Information Provider website](#)

Abbreviation

AS/NZS ISO 17632:2006

Valid from

18/10/2006

Information provider

Standards New Zealand

Author

Standards New Zealand, Standards Australia, International Organisation for Standardization

Information type

New Zealand Standard

Format

PDF

Cited By

Description

This Standard provides requirements for classification of tubular cored electrodes with or without a gas shield for metal arc welding of non-alloy and fine grain steels.

Adopted from ISO 17632:2004 with national modifications.
