## ASTM A313/A313M - 10 Standard Specification for Stainless Steel Spring Wire

[View on Information Provider website](#)

### Abbreviation

ASTM A313/A313M - 10

### Valid from

01/04/2010

---

### Information provider

American Society of Testing and Materials

### Author

American Society of Testing and Materials

### Information type

ASTM Standard

### Format

PDF

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

This standard provides a specification for austenitic and age-hardenable stainless steel round spring wire intended especially for the manufacture of springs.

For assistance with locating previous versions, please contact the information provider.
