### Description

Due to the impacts on the sector from COVID-19 and stakeholder feedback, MBIE will be delaying the June update until **24 September 2020**.

After the September 2020 update, MBIE will be moving to **annual updates** of the Building Code with the subsequent update occurring in **October 2021**.

These changes will reduce the burden on the sector to provide feedback twice yearly on proposed changes and related activities to implement these changes.
