Bridge Manual (SP/M/022) Second Edition - 2003

[View on Information Provider website](#)

Abbreviation

Bridge Manual (SP/M/022)

Valid from

01/05/1994

Information provider

NZ Transport Agency

Author

NZ Transport Agency

Information type

Handbook

Format

PDF

Cited By

[This resource is cited by 3 documents \(show Citations\)](#)

Description

This Bridge manual sets out the criteria for the design and evaluation of bridges, culverts, stock underpasses and subways, the design of earthworks and retaining structures. The manual is a companion document to the overarching *Highway structures design guide* which provides general and specific design criteria for all highway structures.
