BS 143 & 1256:1986 Specification for malleable cast iron and cast copper alloy threaded pipe fittings

[View on Information Provider website](#)

Abbreviation

BS 143 & 1256:1986

Valid from

01/01/1986

Information provider

SAI Global

Author

British Standards Institution

Information type

British Standard

Format

PDF, Hard copy

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This Standard defines requirements for design and performance of threaded pipe fittings in malleable cast iron and cast copper alloy.

For assistance with locating previous versions, please contact the information provider.

Notes/comments

NZS 7601:1978 cites BS 143 & 1256:1968, which is not currently available online.

We have provided you with a link to this more recent version for your information only.
