BS 1449-1:1983 Steel plate, sheet and strip - Part 1: Specification for carbon and carbon-manganese plate, sheet and strip

[View on Information Provider website](#)

Abbreviation

BS 1449-1:1983

Valid from

01/05/1983

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This British Standard covers flat rolled carbon steel products in both coil and cut length form up to 16 mm thick. Chemical composition, mechanical properties and dimensional tolerances etc. Materials based on formability, minimum strength, temper rolled and other conditions, suitable for heat treatment.

For assistance with locating previous versions, please contact the information provider.
