BS 187:1978 Specification for calcium silicate (sandlime and flintlime) bricks

[View on Information Provider website](#)

Abbreviation

BS 187:1978

Valid from

31/10/1978

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This British Standard specifies requirements for calcium silicate bricks for use in walling. It does not cover lime based bricks made with calcinated shale, slag or other materials made by a similar process or the colour and texture of bricks, which should be the subject of special agreement between the manufacturer and the purchaser.
