BS 2782-3 METHOD 345A:1979 Methods of testing plastics - Part 3: Mechanical properties - Method 345A: Determination of compressive properties by deformation at constant rate

[View on Information Provider website](#)

Abbreviation

BS 2782-3 METHOD 345A:1979

Valid from

28/09/1979

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This Part covers the measurement of compression properties of plastic materials by mechanical testing.

For assistance with locating previous versions, please contact the information provider.
