BS 2971:1991 Specification for class II arc welding of carbon steel pipework for carrying fluids

[View on Information Provider website](#)

Abbreviation
BS 2971:1991
Valid from
28/06/1991

Information provider
British Standards Institution
Author

[This resource cites 43 documents \(show Citations\)](#)

Description

Welding using manual, automatic or semi-automatic processes. Welding consumables, preparation for welding, butt joints, branches, attachments, flanges, testing and inspection, acceptance requirements for optional non-destructive testing, procedure and welder approval tests.
