BS 4360:1986 Specification for weldable structural steels

View on Information Provider website {{ linkText }}

Abbreviation
BS 4360:1986
Valid from
31/07/1986

Information provider
British Standards Institution
Author
British Standards Institution
Information type
British Standard
Format
PDF

Cited By
This resource is cited by 2 documents (show Citations)

Description

Requirements for general and weather resistant weldable structural steels, including chemical composition, mechanical properties and dimensional tolerances.
