BS 4728:1971 Method for determination of the resistance to constant internal pressure of thermoplastics pipe

[View on Information Provider website](#)

Abbreviation

BS 4728:1971

Valid from

29/03/1971

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This Standard includes acceptance and quality tests; apparatus, sampling, conditioning, calculation of pressure, procedure, interpretation of results and test report.
