BS 476-21:1987 Fire tests on building materials and structures. Methods for determination of the fire resistance of loadbearing elements of construction

[View on Information Provider website](#)

Abbreviation

BS 476-21:1987

Valid from

29/05/1987

Information provider

Standards New Zealand

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By
