BS 490-10.4:1983 Conveyor and elevator belting. Testing for physical properties. Method for determination of adhesion strength of rubber and plastics belting of textile construction

[View on Information Provider website](#)

Abbreviation

BS 490-10.4:1983

Valid from

28/02/1983

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This Standards sets out a test method in determining the adhesion strength of rubber and plastics belting of textile construction.

Apparatus, test piece preparation, procedure, and expression of results.
