## BS 4937-4:1973 International thermocouple reference tables. Part 4: Nickel - chromium/nickel - aluminium thermocouples. Type K

[View on Information Provider website](#)

### Abbreviation

BS 4937-4:1973

### Valid from

08/03/1973

---

### Information provider

British Standards Institution

### Author

British Standards Institution

### Information type

British Standard

### Format

PDF

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

This Standard provides the reference table for the properties of composite nickel / aluminium / chromium thermocouples.

For assistance with locating previous versions, please contact the information provider.
