BS 5493:1977 Code of practice for protective coating of iron and steel structures against corrosion

[View on Information Provider website](#)

Abbreviation
BS 5493:1977
Valid from
31/10/1977

Information provider
Standards New Zealand
Author
British Standards Institution
Information type
British Standard
Format
PDF

Cited By
[This resource is cited by 5 documents \(show Citations\)](#)

Description

Guidance on how to specify a chosen protective system, how to ensure its correct application and how to maintain it.

Does not include specific recommendations for ships, vehicles, offshore platforms, specialized chemical equipment, cladding materials, plastics coatings, cement-mortar linings or weathering steels.
