BS 5714:1979 Method of measurement of resistivity of metallic materials

[View on Information Provider website](#)

Abbreviation

BS 5714:1979

Valid from

31/01/1979

Information provider

Standards New Zealand

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

Procedures for determining volume and mass resistivity of solid (non-stranded) metallic conductor and resistor materials, and the resistance per unit length of solid conductors of metallic materials.
