## BS 6063:1992 Method for evaluation of general purpose ethylene-propylene-diene rubber (EPDM)

[View on Information Provider website](#)

### Abbreviation

BS 6063:1992

### Valid from

15/07/1992

---

### Information provider

British Standards Institution

### Author

British Standards Institution

### Information type

British Standard

### Format

PDF

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

Specifies physical and chemical tests on raw rubbers, and standard materials, standard test formulae, equipment and processing methods for evaluating the vulcanization characteristics. Includes oil-extended types.

For assistance with locating previous versions, please contact the information provider.
