## BS 638-4:1979 Arc welding power sources, equipment and accessories. Specification for welding cables

[View on Information Provider website](#)

### Abbreviation

BS 638-4:1979

### Valid from

31/01/1979

### Replaces

---

### Information provider

British Standards Institution

### Author

British Standards Institution

### Information type

British Standard

### Format

PDF

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

Requirements for single core flexible copper, aluminium or aluminium alloy cables carrying the welding current in arc welding circuits.

Requirements for conductors, covering, marking, dimensions, voltage and fire conditions and cable ratings.

For assistance with locating previous versions, please contact the information provider.
