## BS 709:1983 Methods of destructive testing fusion welded joints and weld metal in steel

[View on Information Provider website](#)

Abbreviation

BS 709:1983

Valid from

31/03/1983

---

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

---

Cited By

[This resource is cited by 1 document \(show Citations\)](#)
