BS EN 10028-2:2003 Flat Products Made Of Steels For Pressure Purposes - Part 2: Non-alloy And Alloy Steels With Specified Elevated Temperature Properties

[View on Information Provider website](#)

Abbreviation

BS EN 10028-2:2003

Valid from

24/06/2003

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 2 documents \(show Citations\)](#)

Description

This Standard provides a specification for flat products made of non-alloy and alloy steels with specified elevated temperature properties, used for pressure purposes.
