BS EN 10222-2:2000 Steel forgings for pressure purposes - Part 2: Ferritic and martensitic steels with specified elevated temperature properties

[View on Information Provider website](#)

Abbreviation

BS EN 10222-2:2000

Valid from

15/04/2000

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 2 documents \(show Citations\)](#)

Description

This European Standard provides a specification for steel forgings for pressure purposes made of ferritic and martensitic steels with specified elevated temperature properties.
