## BS EN 10222-3:1999 Steel forgings for pressure purposes - Part 3: Nickel steels with specified low-temperature properties

[View on Information Provider website](#)

### Abbreviation

BS EN 10222-3:1999

### Valid from

15/03/1999

---

### Information provider

British Standards Institution

### Author

British Standards Institute

### Information type

British Standard

### Format

PDF

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

This Standard is for steel forgings for pressure purposes, such as piping and pressure vessels. This Part covers nickel steels with specified low-temperature properties.

For assistance with locating previous versions, please contact the information provider.
