**Description**

This Part specifies the technical delivery requirements for seamless and welded butt-welding fittings (elbows, concentric and eccentric reducers, equal and reducing tees, capacities) made of austenitic and austenitic-ferritic (duplex) stainless steel without specific inspection requirements.

**Scope**

The Part specifies:

- steel grades
- mechanical properties
- dimensions and tolerances
- requirements for inspection and testing
- inspection documents

- marking
- protection and packaging.
