## BS EN 1982:1999 Copper and copper alloys - Ingots and castings

[View on Information Provider website](#)

### Abbreviation

BS EN 1982:1999

### Valid from

15/03/1999

---

### Information provider

Standards New Zealand

### Author

British Standards Institution, European Standardization Organisations

### Information type

European Standard

### Format

PDF

---

### Cited By

[This resource is cited by 3 documents \(show Citations\)](#)

---

### Description

This standard is included in DIN Handbook 455 and 457. Defines the composition, mechanical properties and other relevant characteristics of the materials. Also defines the sampling methods for verifying the conformity to the requirements of the standard.

For assistance with locating previous versions, please contact the information provider.

### Notes/comments

This is a link to the German version of EN 1982:1998 that can be purchased in English translation.
