BS EN 25814:1992 , ISO 5814:1990 Method for determination of dissolved oxygen in water: electrochemical probe method

[View on Information Provider website](#)

Abbreviation

BS EN 25814:1992

Valid from

15/12/1992

Information provider

British Standards Institution

Author

British Standards Institution

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

This Standard is applicable to field and laboratory measurements for dissolved oxygen in water using an electrochemical cell, which is isolated from the sample by a gas permeable membrane.
