BS EN 288-1:1992 Specification and approval of welding procedures for metallic materials - Part 1: General rules for fusion welding

[View on Information Provider website](#)

Abbreviation

BS EN 288-1:1992

Valid from

01/05/1992

Information provider

British Standards Institution

Author

British Standards Institution, European Standards

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 2 documents \(show Citations\)](#)

Description

This standard provides a specification on the general rules for fusion welding of metallic materials. It gives the definitions, specifications of welding procedures, alternative methods for obtaining approval of welding procedures.
