BS EN 288-2:1992 Specification and approval of welding procedures for metallic materials - Part 2: Welding procedures specification for arc welding

[View on Information Provider website](#)

Abbreviation

BS EN 288-2:1992

Valid from

01/05/1992

Information provider

British Standards Institution

Author

British Standards Institution, European Standards

Information type

British Standard

Format

PDF

Cited By

[This resource is cited by 3 documents \(show Citations\)](#)

Description

This standard provides a specification for arc welding procedures for metallic materials.

For assistance with locating previous versions, please contact the information provider.
