## BS EN 60068-2-1:2007 Environmental testing - Part 2.1: Tests - Test A: Cold

[View on Information Provider website](#)

### Abbreviation

BS EN 60068-2-1:2007

### Valid from

31/05/2007

---

### Information provider

Standards New Zealand

### Author

British Standards Institution

### Information type

British Standard

### Format

PDF

---

### Cited By

[This resource is cited by 1 document \(show Citations\)](#)

---

### Description

This standard deals with cold tests applicable to both non heat-dissipating and heat dissipating specimens. The objective of the cold test is limited to the determination of the ability of components, equipment or other articles to be used, transported or stored at low temperature.

For assistance with locating previous versions, please contact the information provider.
