## BS EN 988:1997 Zinc and zinc alloys. Specification for rolled flat products for building

[View on Information Provider website](#)

### Abbreviation

BS EN 988:1997

### Valid from

15/01/1997

---

### Information provider

Standards New Zealand

### Author

British Standards Institution

### Information type

British Standard

### Format

PDF

---

### Cited By

[This resource is cited by 8 documents \(show Citations\)](#)

### Cites

[This resource cites 5 documents \(show Citations\)](#)

---

### Description

Composition and tolerances on dimensions of a zinc/titanium/copper alloy for roofing. Typical available sizes, typical physical and mechanical properties.

For assistance with locating previous versions, please contact the information provider.
