Fastwrap Wall Underlay

[View on Information Provider website](#) [Download this resource \(PDF, 359KB\)](#)

Abbreviation
CM70027
Valid from
28/10/2019

Information provider
Ministry of Business, Innovation and Employment
Author
Bureau Veritas
Information type
Product Certificate (CodeMark)
Format
PDF

Description

Fastwrap Wall Underlay is manufactured from an ultra-violet (UV) light resistant, non-woven, spun-bonded polypropylene. It has a beige coloured outer surface and a white inner surface.

Fastwrap Wall Underlay is a synthetic underlay for use under wall claddings on timber and steel framed buildings.

Scope

Subject to the following conditions and limitations:

Storage, handling and installation must be as per the Fastwrap Wall Underlay Technical Information Sheet dated 20/04/18 v1 and BRANZ Appraisal 615 (2017), both found on Paul Industries website www.paulindustries.co.nz.

For assistance with locating previous versions, please contact the information provider.
