Abbreviation

CM70066

Valid from

08/05/2020

Information provider

Ministry of Business, Innovation and Employment

Author

Bureau Veritas

Information type

Product Certificate (CodeMark)

Format

PDF

Description

Elitfönster Windows & Doors are triple glazed composite windows and doors, made of treated solid Baltic Pine timber (FSC® certified) and aluminium. The external side has a cladding of powder coated aluminium. The solid timber interior has a scratch resistant dual component paint finish. Elitfönster Windows and Doors are supplied with safety glazing when specified.

This certificate covers the following models from the Elitfonster Original ALU range:

- AFH – reversible window;
- AFK – fixed window;
- AD – patio door.

Scope

The Elitfönster Original ALU range of windows and doors are able to be used in wind zones up to and including Extra High (as defined in NZS3604:2011).

They contribute to natural daylight and ventilation, and are also suitable for use in building envelopes enclosing spaces where the temperature or humidity (or both) are modified.
