DIN 17174 : 1985 Welded Circular Tubes Made From Steels With Low Temperature Toughness - Technical Delivery Conditions

[View on Information Provider website](#)

Abbreviation

DIN 17174 : 1985

Valid from

01/02/1985

Information provider

SAI Global

Author

German Institute for Standardisation (Deutsches Institut für Normung)

Information type

German Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

Applies to welded circular tubes made from carbon and alloy steels with low temperature toughness as listed in Table 1, for low temperature applications.

These tubes are predominantly used in the construction of chemical plant, vessels, pipework and for general mechanical engineering purposes.
