DIN 17175 : 1979 Seamless Tubes Of Heat-resistant Steels - Technical Conditions Of Delivery

[View on Information Provider website](#)

Abbreviation

DIN 17175 : 1979

Valid from

01/05/1979

Information provider

SAI Global

Author

German Institute for Standardisation (Deutsches Institut für Normung)

Information type

German Standard

Format

PDF

Cited By

[This resource is cited by 1 document \(show Citations\)](#)

Description

CONTAINED IN DIN HDBK 403 Gives specifications for the technical delivery of seamless tubes of heat resistant steels including inspection, material composition and tensile strength.
