### Description

Acceptable Solution F7/AS1 provides a means of compliance with Building Code Clause F7 Warning Systems. Building Code Clause F7 provides early warning systems to alert people to an emergency.

It ensures buildings are provided with appropriate means of warning people to escape to a safe place in an emergency. It requires warning systems that provide adequate time for people to reach a safe place; for fire detection in all household units; and other appropriate warning for fire and other emergencies.

### Previous versions:

F7/AS1 (Third Edition, Amendment 7) F7/AS1 (Third Edition, Amendment 6)
