Description

This data sheet sets out suggestions on the protection of aerosol products stored in containers.

Scope

This data sheet provides protection recommendations on the storage of Level 1, 2, and 3 aerosol products stored in metal containers; aerosol cooking spray products in metal containers; and aerosol products in plastic containers up to a maximum size of 33.8 oz (1000 ml).

This data sheet does not apply to other products consisting of ignitable liquids and flammable or nonflammable gas propellants stored in larger containers. That guidance is provided in other FM Global property loss prevention data sheets, including the following:

- 7-29, Ignitable Liquid Storage in Portable Containers
- 7-32, Ignitable Liquid Operations
- 7-50, Compressed Gases in Cylinders
- 7-55, Liquefied Petroleum Gas
- 7-88, Storage Tanks for Ignitable Liquids

For assistance with locating previous versions, please contact the information provider.

Notes/comments

NOTE: The 2013 edition is not available online. However, the most recent edition can be viewed and downloaded for free from the information provider's website by signing up.
