Information provider  
Ministry of Business, Innovation and Employment  
Information type  
Section 175 guidance  
Format  
PDF

---

Description

The guidance provided in Part C focuses on foundation repairs and reconstruction for houses in Foundation Technical Category 3 (TC3) areas within the Green Zone of the earthquake-affected parts of the Canterbury region. It does not apply to the Residential Red Zone where significantly poorer ground conditions exist and more severe land damage is expected in future earthquakes.
