Building Code Clause F2 - Hazardous building materials

[View on Information Provider website](#)

{{ linkText }}

Abbreviation

NZBC F2

Valid from

08/06/1992

Information provider

Parliamentary Counsel Office

Information type

Legislation

Format

PDF

Description

Building Code Clause F2 Hazardous building materials, is about safety for glass and glazing methods, asbestos and materials that give off noxious fumes. This clause safeguards people from illness and injury from quantities of gas, liquid, radiation and solid particles caused by exposure to building materials. Its provisions ensure building materials, (including glass, transparent panels and brittle materials) are used in ways that avoid undue risk to people.
