Building Code Clause F8 - Signs

[View on Information Provider website](#)

{{ linkText }}

Abbreviation

NZBC F8

Valid from

10/04/2012

Information provider

Parliamentary Counsel Office

Information type

Legislation

Format

PDF

Description

Building Code Clause F8 Signs is about providing identification of escape routes, hazards, emergency-related safety features and accessible facilities. Signs are required to identify escape routes, emergency-related safety features, potential hazards, accessible routes and facilities for people with disabilities. F8 Signs does not apply to detached dwellings, or within household units in multi-unit dwellings. Signs must be clearly visible and readily understandable under all conditions, including emergencies. The clause requires accessible routes to be identified with the International Symbol of Access.
