Building Code Clause G14 - Industrial Liquid Waste

[View on Information Provider website](#)

{{ linkText }}

Abbreviation

NZBC G14

Valid from

21/06/2007

Information provider

Parliamentary Counsel Office

Information type

Legislation

Format

PDF

Description

Building Code Clause G14 Industrial liquid waste requires the safe and hygienic collection, treatment and disposal of industrial liquid waste to avoid contamination. This clause ensures buildings in which industrial liquid waste or foul water is collected, generated, treated or disposed of are provided with adequate spaces and facilities to do so safely, avoiding the likelihood of blockage, leakage or contamination. It also sets requirements to prevent unauthorised access.
