Retrofitting blown-in wall insulation - Build 136(2013)

[View on Information Provider website](#) [Download this resource \(PDF, 166KB\)](#)

Abbreviation

Retrofitting blown-in wall insulation

Valid from

01/06/2013

Information provider

BRANZ Limited

Information type

BUILD article

Format

Website, PDF

Description

When older New Zealand houses are retrofitted with insulation, it tends to be installed into roof and underfloor spaces. However, don't forget the walls. Options to inject or blow in insulation are available, but they do have risks.

For assistance with locating previous versions, please contact the information provider.
