## Roof-to-wall junction detail - Build 165(2018)

[Download this resource \(PDF\)](#)

Abbreviation

Roof-to-wall junction detail

Valid from

01/04/2018

---

Information provider

BRANZ Limited

Information type

BUILD article

Format

PDF

---

**Description**

The BRANZ helpline has been asked recently about how best to detail the tricky junction between the top edge of a monopitch roof and an adjacent wall above. Here is one suggestion.

This continues the *Build* series on roof-to-wall junction details not included in Acceptable Solution E2/AS1 to the New Zealand Building Code clause E2 External moisture.

For assistance with locating previous versions, please contact the information provider.
