### Description

The Poisons Standard is a Legislative Instrument for the purposes of the *Legislative Instruments Act 2003*. The Poisons Standard consists of decisions regarding the classification of medicines and poisons into Schedules for inclusion in the relevant legislation of the States and Territories. The Poisons Standard also includes model provisions about containers and labels, a list of products recommended to be exempt from these provisions, and recommendations about other controls on drugs and poisons.

For assistance with locating previous versions, please contact the information provider.

#### Notes/comments

AS 3730, parts 6, 7, 8, 9 & 10 cite Standard for the Uniform Scheduling of Drugs and Poisons (NDPSC SUSDP), which is not currently available online. We have provided you with a link to this more recent version for your information only.
